Common Mistakes

Problem	Fix
No questions found in PDF/Word	Make sure each block starts with Q: or Question:
Wrong answer highlighted	Check that answer is 0-indexed in CSV (B = 1, not 2)
Parse error on CSV	Wrap text containing commas in double quotes: "Jesus said, "Follow me""
Blank options in preview	All four options (A–D) are required per question
PDF not parsing well	Try copy-pasting content into a Word doc instead

Limits

- Maximum file size: **10 MB**
- Maximum questions previewed: **20** (all are imported, only 20 shown in preview)
- Minimum questions per upload: **1**

Questions are shuffled automatically after import. The default built-in questions are replaced for that game session only.
